

POSITION DESCRIPTION

Canterbury

District Health Board

Te Poari Hauora o Waitaha

August 2019

This Position Description is a guide and will vary from time to time and between services and/or units to meet changing service needs

The Canterbury District Health Board is committed to the principles of the Treaty of Waitangi and the overarching objectives of the New Zealand health and disability strategies.

Organisational Vision

Our vision is an integrated health system that keeps people healthy and well in their own homes by providing the right care and support, to the right person, at the right time and in the right place. At its core, our vision is dependent on everyone in the health system working together to do the right thing for the patient and the right thing for the system.

Organisational Values and Philosophy

The Canterbury District Health Board is committed to being an excellent and caring funder/provider of health and hospital services. Integral to achieving the vision, goals and objectives of the DHB are the values of the organisation:

- Care & respect for others
- Integrity in all we do
- Responsibility for outcomes

CDHB Strategic Priorities

- Services that support people/whanau to take increased responsibility for their health
Development of primary health care and community services to support people/whanau in a community based setting and provide a point of on-going continuity which for most people will be general practice
- Release secondary care based specialist resources to be responsive to episodic events and provision of support to primary care
