	Participate in the process of performance appraisals for nursing staff as required by CNM/Nursing Director/Director of Nursing.				

HEALTH & SAFETY:

Managers are to take all practicable steps to ensure the health and safety of employees at work and maintain knowledge of CDHB health and safety systems and policies.

This will be achieved by ensuring:

- Health and safety programmes are sustained by allocating sufficient resources for health and safety to function effectively. This includes regular liaison with the Health and Safety Advisor.
- Employee participation is encouraged and supported in processes for improving health and safety in the workplace and by employee attendance at health and safety meetings.
- A system is in place for identifying and regularly assessing hazards in the workplace and controlling significant hazards.
- All employees are provided with information about the hazards and controls that they will encounter at work.
- Regular workplace audits are carried out.
- All employees receive and have signed off an induction to their workplace and to health and safety policies and procedures.

• All employees receive relevant information and training on health and safety including emergency procedures relevant to their area of work and the appropriate use of personal protective equipment they may need to use.

- All accidents and injuries are accurately reported, investigated and documentation is forwarded on to the Health and Safety Advisor within agreed timeframes.
- Support and participation occurs in employee's rehabilitation for an early and durable return to work following injury or illness.

QUALITY:

Every staff member within CDHB is responsible for ensuring a quality service is provided in their area of expertise. All staff are to be involved in quality activities and should identify areas of improvement. All staff are to be familiar with and apply the appropriate organisational and divisional policies and procedures.

QUALIFICATIONS & EXPERIENCE:

The Nurse Educator will:

- Hold a current Nursing Council of New Zealand practising certificate.
- Hold a Certificate of Adult Teaching or equivalent.
- Hold a current portfolio (PDRP).
- Hold a relevant Post-graduate Certificate.

Essential:

The Nurse Educator will:

- Have at least five years working either within the clinical area or relevant senior nursing role.
- Have a demonstrated ability to contribute to the professional development of nursing staff.
- Have a commitment to ongoing development of nursing skills.
- Have the vision and flexibility to contribute to and accommodate change.
- Have effective communication skills and professional manner and presentation.
- Have the ability to contribute positively as part of the clinical governance structure.
- Have excellent administrative, computer, organisational and time management skills.
- Demonstrate a commitment to post registration education as relevant to the role.

Desirable:

- Obtained or working towards a relevant post-graduate diploma or masters.
- Previous experience within an education role.
- Demonstrates ability to develop nursing standards and quality initiatives.
- Demonstrates teaching, mentoring and coaching skills.
- Senior Nurse competent PDRP portfolio.
- Have a demonstrated ability to provide leadership within nursing.
- Have a knowledge and understanding of the under graduate nursing curricula.

PERSONAL ATTRIBUTES:

Mandatory:

Key Behaviours

- Ability to "work together" in a truthful and helpful manner.
- Ability to "work smarter" by being innovative and pro-active.
- Accepts responsibility for actions.

Desirable:

Ability to provide inspirational and motivational leadership.

LIMITATIONS OF AUTHORITY:

Matters which must be referred to the Line Manager:

- Security breaches and quality standards failures.
- Incidents related to patients, which may affect patient wellbeing.
- Deficiencies in quality care and professional standards.
- Any matters which are not clearly identified or do not comply with the Canterbury District Health Board's adopted policies and procedures.
- Matters of unresolved staff conflict.

STAFF PERFORMANCE:

The Nurse Educator will participate in an annual performance appraisal process.
