Ensures that you work within your scope of practice and keep abreast of best practice guidelines. 3. Adheres to legislative requirements and ensures documentation of such is provided to high standard. E.g. Fall's risk, Family violence assessment, smoking cessation status, pressure are prevention and Alcohol status. 4. Supports sustainable service changes informed by best practice guidelines and quality initiatives, local strategy, and promoting integration to further embed the WCDHB model of care 	

POSITION DESCRIPTION

This position description is a guide and will vary from time to time, and between services and/or units to meet changing service need

	5. Supporting service and practice development; developing processes in conjunction with the team to ensure patients and their families health needs are met.
Complexity:	<p>Most challenging duties typically undertaken or most complex problems solved:</p> <ul style="list-style-type: none">• Effectively manages time and patient flow in an acute session• Accepts responsibility for ensuring that his/her nursing practice and conduct meet the standards of the professional, ethical and relevant legislated requirements• Demonstrates the ability to apply the principles of the Treaty of Waitangi to nursing practice• Demonstrates accountability for directing, monitoring and evaluating nursing care that is provided by enrolled nurses and others, and utilises more experienced RNs to assist with problem solving and setting priorities• Promotes an environment that enables patient safety, independence, quality of life and health• Practices nursing in a manner that the patient determines as being culturally safe• Reads and adheres to our organisations vision, values, policies and procedures• Represents the organisation and the nursing profession in a committed manner, projecting a professional image of nursing• Demonstrates Knowledge of Australasian triage and Trauma care and promotes an environment conducive to critically unwell patients.• Works with Administrators to ensure patients details are correct within the system

ORGANISATIONAL VISION & VALUES:

Our vision is for an integrated West Coast health system that is clinically sustainable and fiscally viable; a health system that wraps care around a person and helps them to stay well in their community.

All activities of the WCDHB reflect the values of:

- Manaakitanga – caring for others
- Whakapapa – identity
- Integrity
- Respect
- Accountability
- Valuing people
- Fairness
- Whanaungatanga – family and relationships
- Pono - truth

He mihi

*E ngā mana
E ngā reo
E ngā iwi o te motu
Tēnei te mihi ki a koutou katoa*

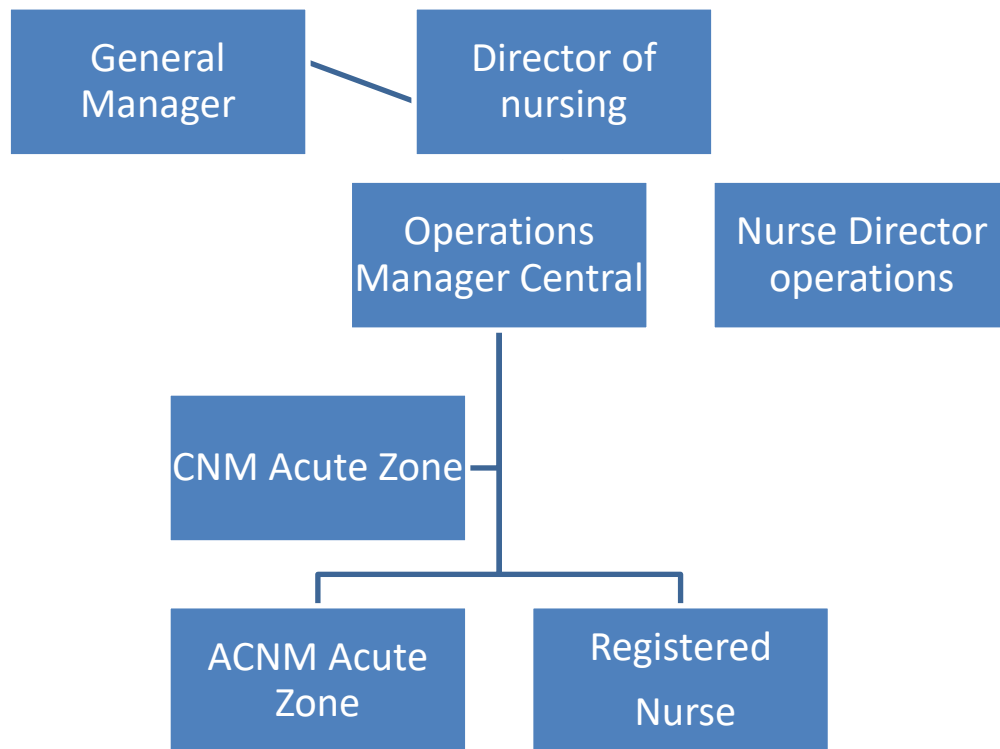

He whakatauki

Ko tau rourou, ko taku rourou, ka ora ai te iwi
With your contribution and my contribution we will be better able to serve the people.
