

STATEMENT OF ACCOUNTABILITY

Interventional Cardiology Fellow

TEAM	Cardiology
ROLE TITLE	Interventional Cardiology Fellow
REPORTS TO	Dr Aniket Puri- Director of Interventional Cardiology

OUR CULTURE

At our DHB, we are committed to honouring the Te Tiriti o Waitangi and its principles by ensuring our partnership with Māori are at the forefront of all our conversations. We are also committed to putting people at the heart of all we do, so that we are all supported to deliver world class healthcare to our communities. This means we all behave with honesty, integrity and courage; doing the right thing by each other and our communities. We demonstrate care and concern for our own and others wellbeing. We believe that diversity and inclusion is critical to ensure we deliver the best care for our diverse communities. Therefore, we always respect and value everyone's differences. When making decisions we consider and seek a diverse range of viewpoints especially those from minority groups.

OUR TEAM ACCOUNTABILITY

As a member of the Cardiology service, the Fellow will work with six interventionists, gaining experience in:

- PCI, intra-coronary physiology (FFR and iFR) and intra-coronary imaging (IVUS and OCT)
- The unit performs 1000 PCI procedures per year (250 STEMI interventions) and 100 TAVI procedures per year
- Interventions for congenital cardiac disease in adults (PFO, ASD and PDA) and structural heart procedures including para-valvular leak closure and alcohol septal ablations.

MY ROLE RESPONSIBILITY

The Interventional Cardiology Fellow has shared responsibility for the management of patients who receive cardiac interventions including both pre and post procedure care. They will be under direct supervision of the Interventional Cardiologists

- In addition to catheter lab work, the successful applicant will also
- Participate in 1 consultant led outpatient clinics per week.
- Be involved in teaching of junior staff and undergraduates.
- Participate in the after-hours on-call roster for Cardiology.
- Undertake research and participate in audit.
- May be required to undertake one full day general Cardiology outreach clinic in a referral centre once per three months.

MY CAPABILITY

To be effective and succeed in this role it is expected the person will have proven capabilities against the Leads Self leadership focus:

A person with this leadership focus will not hold formal leadership accountabilities but are responsible for displaying leadership character and driving service delivery within their role and team.

- **Cultural Awareness** – Understands the needs of Māori and adjusts approach to ensure equitable outcomes.
- **Self-Aware** - Understands their impact on others and strengthen personal capability over time.
- **Engaging others** - Connect with people; to build trust and become a leader that people want to work with and for.
- **Resilient and Adaptive** - Show composure, resolve, and a sense of perspective when the going gets tough. Helps others maintain optimism and focus.
- **Honest and Courageous** - Delivers clear messages and makes decisions in a timely manner; to advance the longer-term best interests of the people we care for.
- **Achieving Goals** - Demonstrate drive, optimism, and focus; to make things happen and achieve outcomes.
- **Managing Work Priorities** - Plan, prioritise, and organise work; to deliver on short, medium and long-term objectives across the breadth of their role.
- **Curious** - Seeks and integrates ideas, information, and different perspectives.

MY RELATIONSHIPS TO NURTURE

Internal

As required with Clinical Director, Service Manager, Medical Staff, Nursing Staff, Technicians, Radiologists, and Allied Health Professionals.

External

As required with patients and their families/care givers, clinicians from referring hospitals, General Practitioners, community groups, Christchurch School of Medicine and health Sciences.

OUR WELLBEING, HEALTH AND SAFETY

At our DHB, we're committed to promoting a culture where our people's wellbeing, health and safety is at the core of everything we do. We're committed to a healthy and safe working environment to enable everyone to return home safe and well every day. We're driving for a positive, inclusive, engaging culture where our people feel safe and engaged in their work.

We know that it's really important to look after yourself, in order to provide the best possible care to our community. We are all responsible for the health and safety of ourselves and each other. We need to work together to ensure wellbeing, health and safety risks do not put our people at risk of harm.
