Better Health, Better Care, Every Day.

Health New Zealand | Te Whatu Ora is committed to providing high-quality healthcare for all New Zealanders. We are focused on improving access to care, delivering better health outcomes, achieving national health targets, and ensuring the long-term sustainability of our health system.

We know that great healthcare starts with great people. That's why we are committed to building a high-performing, inclusive workplace where our people are supported to grow, contribute, and make a real difference for patients, whānau, and communities across Aotearoa.

About the role

The primary purpose of the role is to:

The key purpose of the role is to work to Waitaha Canterbury standards (and Ministry of Health targets) for booking practices, with guidance from the Team Leader, Service Manager and Clinical Director/Triaging Clinician.

This includes processing referrals, the arriving and departing patients attending an outpatient clinic appointment, the booking of elective outpatient/inpatient admissions, and the preparation of documents to ensure patients receive treatment within Waitaha Canterbury and MoH guidelines.

Key Result Area	Expected Outcomes / Performance Indicators
Customer Focus	A genuine focus on excellent customer service skills is maintained. Customers include patients, clinicians and others who access our services • Patient confidentiality and privacy is always maintained. • Front of house duties undertaken with excellent customer service skills. • Patient management system is checked for patient demographics and updated as appropriate.

	• Patients who are clearly unwell or infirm are referred immediately to nursing staff. • All documents are available to clinicians for appointments/admissions so that there is no delay in care to the patient
Patient Management System (SI PICS) and associated clinical system processes are standardised	Business Rules - Waitaha Canterbury Elective Services Guidelines. Process from referral through to booking patients is managed as per latest National Guidelines • Patients are booked by priority, managing 'greatest need, longest wait' and meeting Planned Care (MoH) requirements • All data entry is accurate and timely. • Clear, concise and timely booking information is communicated with the patients. • Clinical direction is sought as required and in particular regarding any re-categorisation queries from the referrer • Bookings take into consideration the pre-booking requirements, including the timing of diagnostic tests etc. • Clinic preparation and outcome is undertaken as required by the clinical team and business rules associated with National Patient Flow. • Cancellations are managed by standardised process
Communication	Positive and professional behaviours in all relationships are role modelled • Communication is clear, open, accurate and responsible • Confidentiality is maintained • Communicates clearly and proactively seeks feedback • Contribute to a supportive environment in order to create a high functioning service.
Accurate Data Entry	Fast and accurate data entry of patient demographic details and clinical information • Able to process high volumes of referral and booking information in a timely manner • High attention to detail to ensure minimal errors occur
Flexibility	Undertake other duties as reasonably directed by the Team Leader • Assistance with the overall service provision as workload determines. • Additional duties are carried out in the best interest of the service and in a competent and efficient manner.

Key Result Area	Expected Outcomes / Performance Indicators
Access and Outcomes	• Supports efforts to improve access to services and achieve better outcomes for the communities we serve. • Uses evidence and insights to identify barriers and opportunities for improvement. • Contributes to inclusive, responsive, and effective service delivery.
Te Tiriti o Waitangi	• Demonstrates a commitment to understanding and applying Te Tiriti o Waitangi in a practical and appropriate way. • Supports initiatives that improve outcomes for Māori and strengthen relationships with Māori partners and stakeholders. • Contributes to an inclusive workplace that values diversity and supports the attraction, development and retention of Māori employees.
Health & safety	• Exercises leadership and due diligence in Health and Safety matters and ensures the successful implementation of Health and Safety strategy and initiatives. • Takes all reasonably practicable steps to eliminate and mitigate risks and hazards in the workplace that could cause harm, placing employee, contractor and others' health, safety, and wellbeing centrally, alongside high-quality patient outcomes. • Leads, champions, and promotes continual improvement in health and wellbeing to create a healthy and safe culture.
Compliance and Risk	• Takes responsibility to ensure appropriate risk reporting, management and mitigation activities are in place. • Ensures compliance with all relevant statutory, safety and regulatory requirements applicable to the Business Unit. • Understands, and operates within, the financial & operational delegations of their role, ensuring peers and team members are also similarly aware.

Matters which must be referred to your manager

- Employees are expected to escalate matters early to ensure patient safety, service, continuity and compliance with organisational and legislative requirements.
- Employees are expected to escalate matters early to highlight any barriers to work being completed in a timely, and accurate manner
