Better Health, Better Care, Every Day.

Health New Zealand | Te Whatu Ora is committed to providing high-quality healthcare for all New Zealanders. We are focused on improving access to care, delivering better health outcomes, achieving national health targets, and ensuring the long-term sustainability of our health system.

We know that great healthcare starts with great people. That's why we are committed to building a high-performing, inclusive workplace where our people are supported to grow, contribute, and make a real difference for patients, whānau, and communities across Aotearoa.

About the role

The primary purpose of the role is to:

provide high-quality, professional, and efficient administrative support within Health NZ. The role provides a broad administrative function within a busy and varied healthcare environment, coordinating and delivering day-to-day administrative processes and services to support the effective operation of the team and wider organisation.

The position requires a high level of competence, confidentiality, initiative, accuracy, and organisation, with the ability to prioritise competing demands, meet deadlines and work effectively within a fast-paced environment. The role involves working collaboratively with managers, clinical and non-clinical staff, and a diverse range of people across the organisation to ensure administrative processes are completed efficiently, accurately and in a timely manner.

The role contributes to the smooth and effective functioning of the service by providing responsive administrative support, maintaining accurate records and information, coordinating activities, and assisting with a range of administrative requirements as needed.

KEY RESULT AREA	EXPECTED OUTCOMES / PERFORMANCE INDICATORS
Administrative Support	• Provides reliable and timely administrative support to management and staff. Completes administrative tasks accurately and within agreed timeframes. Prepares documents, correspondence, reports, and other administrative materials to a professional standard. Monitors follow-up actions and deadlines appropriately.
Communication and Customer Service	• Provides professional, responsive, and courteous communication to internal and external stakeholders. Responds to phone calls, emails, enquiries and correspondence promptly. Communicates information clearly and appropriately. Handles confidential and sensitive information appropriately.
Records and Information Management	• Maintains accurate, accessible, and well-organised electronic and physical records. Keeps databases, registers, contact lists and other records current. Stores documents securely and in accordance with organisational requirements. Ensures information is accurate, complete, and appropriately protected.
Office Operations	• Supports the effective day-to-day operation of the office and administrative function. Ensures office supplies and resources are available when required. Coordinates meetings, appointments, events, and related arrangements effectively. Identifies administrative disruptions and escalates or addresses them promptly.
Compliance and Confidentiality	• Supports compliance with organisational policies, procedures, and relevant requirements. Handles confidential and personal information securely and appropriately. Maintains required records, forms, registers and documentation. Identifies and escalates potential compliance or administrative risks appropriately.
Organisation and Time Management	• Effectively manages competing priorities and deadlines. Plans and prioritises work according to organisational needs. Meets agreed deadlines or communicates risks to deadlines early. Demonstrates initiative in identifying tasks requiring attention while maintaining accuracy and service quality.
Process Improvement	• Contributes to improving administrative systems, processes, and efficiency. Identifies opportunities to simplify or improve administrative processes. Implements appropriate improvements in consultation with relevant staff.

	Reduces duplication, unnecessary paperwork and avoidable administrative delays.
Teamwork and Professional Conduct	• Contributes positively to a professional and collaborative workplace. Builds effective working relationships with colleagues and stakeholders. Demonstrates reliability, discretion, initiative, and professionalism. Supports colleagues, accepts feedback and contributes to continuous improvement.

Key Result Area	Expected Outcomes / Performance Indicators
Access and Outcomes	• Supports efforts to improve access to services and achieve better outcomes for the communities we serve. • Uses evidence and insights to identify barriers and opportunities for improvement. • Contributes to inclusive, responsive, and effective service delivery.
Te Tiriti o Waitangi	• Demonstrates a commitment to understanding and applying Te Tiriti o Waitangi in a practical and appropriate way. • Supports initiatives that improve outcomes for Māori and strengthen relationships with Māori partners and stakeholders. • Contributes to an inclusive workplace that values diversity and supports the attraction, development and retention of Māori employees.
Health & safety	• Exercises leadership and due diligence in Health and Safety matters and ensures the successful implementation of Health and Safety strategy and initiatives. • Takes all reasonably practicable steps to eliminate and mitigate risks and hazards in the workplace that could cause harm, placing employee, contractor and others' health, safety, and wellbeing centrally, alongside high-quality patient outcomes. • Leads, champions, and promotes continual improvement in health and wellbeing to create a healthy and safe culture.
Compliance and Risk	• Takes responsibility to ensure appropriate risk reporting, management and mitigation activities are in place. • Ensures compliance with all relevant statutory, safety and regulatory requirements applicable to the Business Unit. • Understands, and operates within, the financial & operational delegations of their role, ensuring peers and team members are also similarly aware.
